## SENIOR CLASS HISTORY

For youth to look ahead for years, what a long stretch of time it seems; but now that it has passed we feel as though it has gone all too quickly.

In September, 1936, a new group of 28 students entered Onsted High School. Miss Hobart was chosen to lead us through the wilderness of our Freshmen year. The high-light of the year was the Freshman Return party for the Sophomores.

Our class was put in the care of Mr. Andrews during our Sophomore year. One of our proudest privileges was to serve the upper-classmen at the annual Junior-Senior reception.

In the fall of '38 we again assembled at Onsted High, a few more in number and with a lot more school spirit. Mr. Vanderbrook had the responsibility of guiding us through our Junior year. In the spring, "Heart Trouble", a nicely amusing comedy was presented to an appreciative audience. We immediately set to work on our Junior-Senior banquet and J-Hop, as farewell gestures to our superiors.

At last we were supreme rulers of the other classes. Mr. Huber was our sponsor. This year we presented "People Are Funny", which was well received. Our crowning achievement of the year was the publication of the "Purple and Gold".

A trip to Washington and New York brought to a close not only our Senior year, but our whole high school course.

## CLASS PROPHECY OF 1940

Last Saturday morning, May 5, 1950 it was necessary for me to leave my home in Onsted to make a trip to Hollywood. I arranged the evening before that my capable assistants Beulah Babcock and Ruby Warner should take charge of my beauty salon while I was gone. I left on the first train, taking with me a letter from a classmate, which to my surprise contained clippings from newspapers. I learned that Kathryn Reynolds is torching dancing in Paris. Alvin Kimball is doing a thriving undertaking business in Chicago, because of the small pox epidemic. Len Vallad is quite as busy as Alvin as he is a doctor at the same place. Evelyn Pickford was proclaimed tennis champion at the Olympic games this year.

Arriving in Hollywood I checked immediately at the famous Glendale Hotel, where I found many friends. I spent the evening reading a book by Jane Dowling.

The next morning I took a Warner cab to the Wilkins and Ross Studios, there I found Paul Holland directing a movie. It took the whole morning to settle my business there.

Since I intended to shop that afternoon I stepped into a large restaurant. From the menu card I learned that Doris Large was the proprietor. After luncheon I went to the Krule department store to purchase a coat. On the way back to the Hotel I met Helen Yenor. She told me what she knew of our old Classmates.

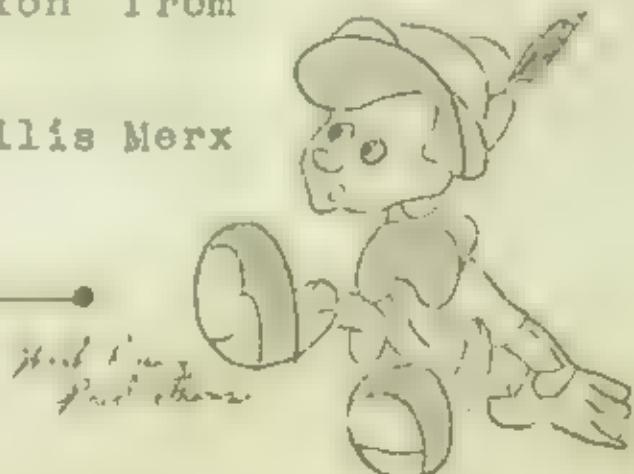

## CLASSE PROPHECY (con.)

Dorian Bugbee is president of the largest trust company of America. Betty Wilples and family are living on a large ranch at Dallas, Texas. Edsel Fish is a druggist in New York. Clifford Crittell is the greatest inventor of all times. He has just completed a new television set which is a vast improvement over the first sets that came out.

I spent that evening reading the Los Angeles newspaper. On the front page I read an article proposing Eunice Kings nursing at the time of the floods in Louisiana. I also read that Norene Knapp has been selected as leading lady for one of the greatest pictures of all times. On the society page I read that June Stoddard and Lois Largo are leaving for Africa May 14, to open a mission school for the natives. As I turned to the last page I saw the picture of the wonderful impersonator Delmer Hardy. He will give a radio entertainment May 12 from station W.H.Y.C.

Raymond Lloyd was the aviator of the ship I returned home on. When I arrived in Onsted who should I meet on the street but Norman Peters. When I asked him what he was doing he told me he was married and was owner of a large farm near Rome Center. I was glad to be back in Onsted once more, but glad, too, to have had all this information from the class of 1940.

## SENIOR WILL

We the class of 1940 being of unsound and failing health and about to pass out of this sphere of education, in full possession of a crammed mind, well-trained memory, and almost superhuman understanding, and knowing that sooner or later all classes must graduate and putting full faith and implicit trust in the promises of the faculty that we will be a graduated class some time this May but still fully realizing and considering the uncertainties of the frail and transitory life of a senior do make publish and declare this instrument as and for our last will and testimony hereby revoking all former or other testamentary dispositions and making void all former wills or promises by us at any time here before May or mayhap carelessly spoken one to another as the thoughtless wish of an idle hour.

### ITEM 1

We give and bequeath to superintendent, Mr. Huber, our sincere affection, deepest reverence, hardiest gratitude and the whole unlimited wealth of our eternal memory.

### ITEM 2

We give and bequeath to the faculty a sweet and unbroken succession of restful nights, also all the amazing knowledge and startling information that we have imparted to them in our examination papers.

### ITEM 3

We give and bequeath to the junior class our well known ability.

ITEM 4

To the Sophomores we give and bequeath and to their heirs and assigns forever, all our stupidity and ignorance.

ITEM 5

To the Freshman class that is to be, we bequeath any overlooked cuds of gum. To the class of 1944 we bequeath our sympathy. While we are still here we feel for them even if we do not reach them. With hearts full of charity and trying to overlook their many faults, we leave to them our vacant chairs and seats, we intrust to them our empty lockers, and generously reserve for them our places at the drinking fountains.

ITEM 6

Individually we bequeath the following:

I, Dolmer Hardy, leave my dainty figure to Dick Freese.

I, Edsel Fish, leave my boisterous ways to Floyd Bonnett.

I, Ruby Warner, bequeath my babbling spirits to Helen Baker.

I, Juno Stoddard, will my dignity to Ernie Black.

I, Paul Hollani, leave my athletic ability to Loraine Glancy,

I, Kathryn Reynolds, will my becoming hair-do to Donna Redfield.

I, Phyllis Merx, will my brown eyes to anyone who thinks they need them.

I, Norene Knapp, will my scholastic record to anyone who wishes to follow it.

I, Elizabeth Wimple, bequeath my quiet laugh to Martha Baker.

I, Lois Large, will my affectionate nature to anyone who thinks they could use it.

I, Norman Peters, will my stunted figure to Basil Foor.

I, Jane Dowling, leave my business like attitude to Hal Heath.

I, Fred Wilkins, will my studious attitude to Alberta Emery.

I, Helen Yenor, leave my modernistic ways to Velma Baker.

I, Clifford Cattell, will my brisk walk to anyone who feels they are in a hurry.

I, Beulah Babcock, bequeath my rosy complexion to Rarona Stoddard.

I, Wanda Francis, leave my bright colored shirts to anyone who thinks they could improve their appearance with them.

I, Loyal Kahle, bequeath my bathing suit to La Verne Kuhn.

I, Alvin Kimball, will my ability to get along with the girls to Hugh Drake.

I, Eunice King, will my ponderous bulk to  
Virginia Gibson.

I, Doris Large, bequeath my shy disposition  
to Ethel Skeese.

I, Raymond Lloyd, leave my blue Ford to any  
one who thinks they can buy the gas for  
it.

I, Evelyn Pickford, will my boisterous ways to  
Elizabeth Kork.

I, Reginold Ross, bequeath my unkempt hair to  
Is Edwards.

I, Len Vallad, leave my drawing spook to  
Allan Frollick.

I, Dale Warner, leave my girlish ways to  
Mahlon Terry.

I, Dorman Bugbee, leave my ability to dance  
to anyone who can copy it.

We nominate, constitute, and appoint the  
class of 1941 as executors of this our last  
will, and in order to avoid embarrassment we  
direct that they be allowed to serve without  
bond.

Signed and sealed in the presence of the  
Faculty, whom we thought best to ask to be-  
come attesting witnesses hereto.

Frank Benedict. The Senior Class

JUNIORS

## JUNIOR CLASS HISTORY

The class of 1940 entered Onsted High School as Freshmen in 1937 with a membership of 33, the largest class ever to enter Onsted High School. Miss Hobart was chosen as our sponsor. Many parties and roasts were enjoyed through out the year.

Miss Clark took the responsibility of guiding us through our Sophomore year. The most important event was the Freshmen Reception which was a big success.

As Juniors we came nearer our goal to be upper classmen. Miss Horning was chosen to guide us through this year. We presented, "En Route to Happiness" in April. The Junior-Senior banquet was held May 2. The Gym was attractively decorated in red and white. A large group was present to show their farewell respects to the Seniors.

## JUNIOR CLASS

The Junior class of Unstated High School presented a three act comedy "En Route to Happiness" on April 18, 1940.

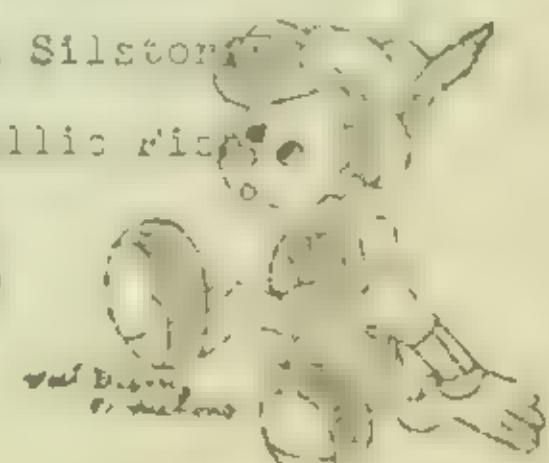

The play concerned a girl named Bonnie Lowell, who set out "Hitch Hiking" across the continent. Mr. and Mrs. Jonas Tomplo, took over her responsibility for her queer action. Two talkative salesman impersonated by LoRoy Baldwin and Gordon Williams added humor to the plot. Mark Foster was the hero by out-witting them with his improved trailer.

The play was a great success.

## SCHOOL NIGHT

The third annual "School Night" held on November 1st was attended by a large number of parents and patrons of the school.

School night is held in order that the people may visit regular classes and see the type of work that is being done in the school.

During the day all the teachers visited various schools to pick up new ideas if possible.

At nine o'clock a general program was given in the gymnasium which consisted of band rehearsal, high school girls glee club and the grade room glee club.

Afterwards all country students were returned to their homes by the school buses.

~~SOPHOMORES~~

## SOPHOMORE CLASS HISTORY

Onsted High will little note or long remember what they said here; but it can never forget what they did here. Although they are commencing to look a little more natural, they still have a few spots of yellow on them. They thought that they were up in the world when they were called upon to initiate the Freshmen, but they were merely a grade ahead of the Freshmen, but they did a good job and gave a good supper after the initiation at night.

## FRESHMAN CLASS HISTORY

Listen my children and you shall hear about the greatest class that entered the Freshman year. #### 4-H HANDICRAFT CLUB

The Handicraft Club for boys was organized at the beginning of the school year. It had the enrollment of 19 members, 9 who were first year boys, 9 who were in the second year, and only one boy in the fourth year. The handicraft club gives the boys an excellent chance to learn the fundamentals of manual training. It includes the study of native trees, wood identification, selection and care of tools, reading and drawing of plans, preparing and applying simple finishes, and many other phases of work. The practice and knowledge gained from the complete satisfactory project make carpenters of the boys.

The members of the club this year consist of Dale Jott, Robert Pickford, Wonley Meyers, Maurice Teachout, Richard Merx, Eldon Cheesebro, Donald Crawley, Koith Bailey, Richard Neely, Donald Blum, Dee Huber, Gene Williams, Raymond Buell, Jerome Holland, Royal McRobert, Don Buell, Dick Wraight, Russell Yenor, and Carl Ehlinger. The officers of the club were: Carl Ehlinger, President; Dee Huber, Vice-President; Donald Blum, Secretary; Maurice Teachout, Treasurer. Their capable leader was Lyle Vanderbrook.

The members displayed their projects at Adrian on Achievement Day. Dee Huber was the only boy to receive honorable mention.

The meetings were held twice a week in the afternoons. The 4-H Girl in Cotton Project #1 was worked out. The project included the making of 2 tea towels, 1 stocking darn, 2 patches, 1 apron, 1 slip, and 1 cotton dress.

The girls completing the project displayed their work in the Adrian High School for Achievement Day, April 5, 1940. Those girls making dresses were in the dress parade that evening.

Membership certificates and 4-H Club buttons were given to members completing the work. Those receiving honorable mention for outstanding work were Peggy Morris, Helen King, and Norlone Glency.

MUSIC

• ----- BAND -----

What ear has not quickened at the sound of drums and the blare of instruments approaching in the distance? There is something about the flesh of color and the martial sound of a band that sets feet tapping and quickens the pulses of young and old alike. The Onsted School Band with its purple and gold uniforms is a band that Onsted may well be proud of.

During the past year the band has played for school activities, fairs, given on concerts and participated in two festivals. At the beginning of the year the band joined the Jackson County Music Association. This association organized a Jackson County All-Star Band which meets at different places each month. The Onsted Band had the pleasure of sending the following players: Kathryn Reynolds, Noreno Knopp, and Doris Largo, Clarinets; Donna Redfield, Trumpet; Gordon Williams, Baritone; Ramona Stoddard, Flute; Wanda Francis, Piccolo; and Dale Redfield, Drums.

The highlights of the bands activities are the music festivals held in the spring. The band entered two: The Lenawee County Music Festival, and the State Music Festival at Ann Arbor. The band played at several P.T.A. meetings during the past year. We played for 4-H Achievement Day held in Adrian, April 5. We closed a very busy and successful year by playing at the Michigan Theatre at Jackson.

## BASKETBALL

The Onsted Wildcats started their basketball season November 21, by Addison defeating them by the score of 26-27. Then they perked up and won 13 and lost 4 games for the season. They had very good results in the little seven league, winning the Championship by winning 11 out of the 12 games scheduled for the Wildcats during the Little Seven Campaign.

For the Class C Tournament of Lenawee County, Onsted drew Sand Creek for their first game and had very good luck by defeating Sand Creek. The second game was with Morenci. The boys didn't seem to be able to hit the basket so Morenci took the game and the Class C Championship of Lenawee County.

---Alvin Kilbell

## GIRLS BASKETBALL

This year our girls basketball team was a big success, although we didn't come out on top, we gave everyone a good show.

We started the season with 30 girls enrolled, but finished with 16 faithful girls.

Our coach Eunice King, did a fine job of coaching, when it was most needed. We girls appreciated her kindness.

We started our year of basketball by playing Clayton on their court. Everyone played well, and we won 15 to 8. Then Dec. 15 we tried to defeat St. Joseph but didn't quite succeed, however we only lost by 3 points. Jan. 9 Clayton came here and again they were defeated 14 to 9. Jan. 16 Deerfield really made us play to our best ability to take the game by 2 points. Feb. 9 we went to Sand Creek. That night everyone had the good old fighting spirit and we walked away with the game 22 to 9. Feb. 15, St. Joseph girls came back and we turned the tables on them, to defeat them for the first time in 3 years, which made all of us happy. Our last game was played in Deerfield Feb. 23. Up to this time we had only lost one game and were tied with the Deerfield girls for the trophy. We all played hard but were unable to defeat them on their court, so they won the trophy for 1939-40.

We enjoyed this year and are looking forward to next year. Although some of us will be leaving, we will try to make the best of 1940-41 the best of luck.

---Elizabeth E. F.
